WHY WE ARE HERE

We are a caring network of resources dedicated to equip, empower, and support women and men to choose life for their unborn children and to make wise life choices for themselves and their families. With loving compassion, we minister to those affected by abortion and share with all the hope, forgiveness, and peace found in a personal relationship with Jesus Christ.

OUR HOPE

We strive to be the first choice for every woman and man in our area facing an unplanned pregnancy or sexual health concern. We seek to be the resource that is first on their minds because they know that our standard of care is unparalleled and our love for them is genuine.

OUR PROMISE

Care Net serves women and men regardless of age, race, income, religious affiliation or any other arbitrary circumstances. We operate with the utmost integrity, providing information that is accurate and sensitive to each client's needs. We do not offer, recommend, or refer women for abortions.

MEDICAL SERVICES

Care Net provides professional pregnancy related medical services. Women deserve a safe place to turn, one with no vested interest in the critical decision she makes regarding her pregnancy or sexual health.

SPIRITUAL GUIDANCE

As a Christian ministry, we believe that strong, healthy communities are communities of faith, hope and compassion. We are interdenominational and clients of all faiths or no religious faith are welcome. We are committed to meeting our client's physical, emotional, and spiritual needs as God works through us.

WHAT YOU CAN DO

Volunteers and donors are the heartbeat of our ministry. The time and talents of a multitude of people have allowed us to serve the community as a 501 (c)(3) organization. To manage the many facets of our ministry, we need your help.
