

Choose Life

a beautiful choice

Care Net Pregnancy Center is all about beautiful choices.

- ♥ We empower women facing unplanned pregnancies to make the beautiful choice of life by offering real options and support, as well as The Elizabeth House residential maternity program.
- ♥ We equip young men and women to make the beautiful choice of abstinence until marriage by informing teens about healthy relationships.
- ♥ We encourage those who are experiencing emotional turmoil following an abortion to make the beautiful choice of forgiving themselves and accepting Christ's forgiveness.

And everything is free and confidential.

In 25 years of ministry, Care Net has empowered, equipped and encouraged thousands of people to make beautiful choices. Celebrate with us as we marvel at the lives saved and changed.
